

OLD BUCKENHAM HALL

A CHILDHOOD TO REMEMBER

Old Buckenham Hall has taken the best of its 160 years of history to become one of the UK's leading Prep Schools. Its heritage and traditions provide strong foundations, but it has always had one eye on the future. A place where a dynamic education blends Swallows and Amazons with the age of the iPad. OBH is a journey that not only challenges children greatly, but also puts a smile on their faces, and gives them plenty to talk about when they get home.

A LOVE OF LEARNING

You can expect OBH to lay excellent foundations for further academic success

Your child can expect to discover a genuine love of learning

We expect every child to give of their best

A LOVE OF LEARNING

When you have talented staff who love teaching, lessons are exciting and challenging.

Children develop not just an interest in learning but a passion and a love for it. This desire to learn is the reason OBH children are both inquisitive and successful.

Whether it is preparation for a scholarship to a top Public School or helping a Pre-Prepper to master the three times table, every child is individually supported to be the best they can be. Use of the very latest technology enhances many lessons but should never replace the inspiration of a great teacher.

HOME FROM HOME

A Place to Trust

A Place for Lasting Friendships

A Place to Discover Yourself

HOME FROM HOME

OBH children enjoy a range of show-stopping weekend events. From Masquerade Balls and Medieval Banquets, to tramping through the school's woods or camping on the island in the middle of the OBH lake. There are always opportunities to play, learn new skills and, best of all, to enjoy laughter amongst friends.

OBH is full of boarders and day children. All play a full and equal part in a busy and immensely fulfilling day. Those who stay, end each day with a big mug of hot chocolate, chatting in lovely, cosy dormitories or settling down with a good book.

Exceptional pastoral care is something we take huge pride in. Each child is supported and nurtured, and grows to be confident, independent, tolerant, and ready for the wider world.

FROM 3 - 13 YEARS

We believe in the whole school journey from 3 through to 13.

At every stage of your child's journey they will be encouraged and challenged, cared for and nurtured, happy and excited.

NEVER A DULL MOMENT

Whether portraiture or pottery, rugby or riding, monologues or musicals, oboes or orchestras, an OBH child can try each and every one. In every aspect of extra-curricular life excellence sits alongside participation for all.

OLD BUCKENHAM EXPLORERS
